About Me

I'm a highly motivated and skilled individual with a strong passion for continuous learning and skill development. By embracing challenging projects and fostering collaboration, I aim to achieve expertise in my field. I'm dedicated to staying current with industry trends and changes to contribute effectively to any organization. I'm a male, Myanmar national, currently pursuing a Bachelor of Computer Science at the University of Computer Studies, Mandalay (2022-2025) and a Bachelor of Software Engineering at Global Academy Siam University (2025). I have experience as a Junior Web Developer at Myanmar Information Technology (MIT) and as a Junior Flutter Developer at TastySoft Software Co., Ltd. My skills include backend development, API integration, UI/UX design, and web development using Django. I possess strong soft skills, including communication, teamwork, adaptability, and problem-solving.
